We Need Your Help!

The Chiloquin Methodist Church needs help getting ready for the Sierra Service Project crew. This summer and in the future, the SSP group will be in Chiloquin fixing houses AT NO COST to Seniors and other underserved community members.

If you are a contractor, cabinet maker or a generally handy person, have time to clean up the site and haul junk, or just plain want to get involved, we need your help NOW getting things ready. Please contact me ASAP for information as to how you can volunteer.

Thanks in advance,

DID YOU KNOW?

You can help support Chiloquin Visions In Progress with donations by shopping at Fred Meyers or Amazon.com…
At no cost to you!

Fred Meyers and Amazon.com have been making donations to Non-Profit Organizations for a long time. Both have decided to allow shoppers to decide who to support, and created these programs for you to tell them. Here’s how they work:

Fred Meyers Community Rewards
When you shop at Fred Meyers and earn your “Reward Points” Fred Meyers Stores will make a matching donation of points to the Non-Profit you choose. Your Rewards Points are not affected. You must visit the Fred Meyers website to make the designation.

You can learn more about the Fred Meyers Community Rewards program by visiting the Fred Meyers site. Begin at this link to make your designation for CVIP. It’s easy!
http://www.fredmeyer.com/company_information/FM_Community/Pages/community_rewards.aspx
Amazon.com “Smile” Program
When you shop at Amazon.com you can make a donation to the Non-Profit of your choice equal to ½ of 1% of your purchase price, every time you shop. In other words, if you make a $100 purchase, Amazon will donate $.50. This is at no additional cost to you. While that may not sound like much, it adds up!

The only difference is the page you begin shopping on: https://smile.amazon.com/
Sign in as you regularly do to shop at Amazon, and on the next page you select your preferred Non-Profit. Follow their easy steps to choose to donate to CVIP. You will see “Supporting Chiloquin Visions In Progress” at the top of the page confirming your Non-Profit designation. You can learn more about this program at: http://smile.amazon.com/about

Use these programs to support Chiloquin Visions In Progress in their work to support the Chiloquin Community. Your help is greatly appreciated.

Lakeview, Ore. - Fire managers for the Fremont-Winema National Forest, Bureau of Land Management’s (BLM) Lakeview District and U.S. Fish and Wildlife Service’s (USFWS) Sheldon-Hart Mountain National Wildlife Complex will start spring prescribed burning. This is an ongoing effort to reduce the potential of catastrophic wildfires and improve ecosystem health.

Prescribed burns are a proactive tool used to achieve a number of purposes, including the reduction of hazardous fuels (overgrown vegetation). Prescribed burns can help decrease the threat of high intensity, high-severity wildfires; reduce the risk of insect and disease outbreak; recycle nutrients that increase soil productivity; and improve wildlife habitat.

Another benefit resulting from prescribed fire is a reduction in fire danger to communities. The Fremont-Winema National Forest, BLM and USFWS work in partnership with the National Park Service, Oregon Department of Forestry (ODF) and adjacent landowners to improve the health of our public lands and reduce the threat of wildfire to local communities.

“The objective of prescribed fire is not to eliminate wildfires, but to reduce their intensity, especially in areas where we want to protect resources,” said Barry Shullanberger, Interagency Fuels Specialist for the Fremont-Winema National Forest and BLM Lakeview District.

The actual days of ignition for these burn projects will depend on several factors including appropriate humidity levels, wind speed and direction, temperature, and fuel moisture. Burns only occur on days when the ODF Smoke Management Office indicates suitable weather conditions exist for smoke dispersal.
Fire crews divide large landscape burns into blocks of land over multiple days. This allows them to halt prescribed burning activity within those areas if anything is out of prescription, such as too much wind. Crews can start again when conditions are more acceptable. Fire managers create a burn plan, which includes smoke management details, fire control measures, acceptable weather parameters, and equipment and personnel needs. The burn plan also describes in detail how the ecosystem will benefit from fire.

Please do not call 911 about burning in the areas referred below. Local law enforcement is aware of these burning activities. For prescribed fire information, please call the Lakeview Interagency Fire Center (LIFC) at 541-947-6315 or visit its Web site at: http://www.scofmp.org/lifc.shtml

On the LIFC Web site, the public can find out what agencies are currently conducting prescribed burns, the location of active burns, residual smoke and planned burns and fiscal year-to-date prescribed burning statistics.

**Possible burn locations for the fall of 2014 include:**

**FREMONT-WINEMA NATIONAL FOREST**

Bly Ranger District
Approximately 800 acres of prescribed burning is planned for the Mortar/Coyote Project area located 10 miles east of Bonanza, Ore. in the Goodlow Mountain area. An additional 1,000 acres are scheduled to be burned within the Bly Ridge Wildland Urban Interface Project area, which is a half mile west of the Pinecrest subdivision located northwest of Bly, Ore. Prescribed underburning could also take place on the 40-acre Vista Project and 500-acre Owen Project. For further information, please contact the Bly Ranger District at 541-353-2427.

Chemult Ranger District
Approximately 470 acres of prescribed burning is planned for the Sting Timber Sale area located about 20 miles southwest of Chemult, Ore. near Pothole Butte. An additional 1,000 acres of prescribed underburning is planned in the Desert Old Growth allocation located approximately 14 miles southwest of Chemult near the Crater Lake National Park boundary. Roughly 850 acres of machine/hand piles will be burned in various locations throughout the District. For further information, please contact the Chemult Ranger District at 541-365-7001.

Chiloquin Ranger District
Roughly 300 acres of prescribed burning is planned in the Ninemile Project area located nine miles east of Chiloquin, Ore., adjacent to the Sprague River Road. For additional information, please contact the Chiloquin Ranger District at 541-783-4001.

Klamath Ranger District
Around 100 acres of underburning AS For additional information, please contact the Klamath Ranger District at 541-883-6714.

Lakeview Ranger District
Around 2,000 acres of prescribed underburning is planned for the West Drews Project, west of Drews Reservoir and another 700 acres is planned near Strawberry Reservoir. Roughly 1,300 acres of juniper piles will be burned on land surrounding the Vee Lake Recreation area, located about 18 miles northeast of Lakeview, Ore., and 10 miles west of Plush, Ore. For additional information, please contact the Lakeview Ranger District at 541-947-3334.

Winter Rim Zone
Nearly 1,000 acres of prescribed burning is planned in the Ben Young Creek area, which is 17 miles south of Paisley, Ore. For additional information, please contact the Winter Rim Zone at 541-943-3114.
LAKEVIEW DISTRICT BLM

Lakeview Resource Area
Roughly 1,500 acres of prescribed burning is planned for cut juniper within the Bridge Creek, Green Mountain, Highway 31 and Silver Creek areas in North Lake County. An additional 6,000 acres of prescribed burning is planned for cut juniper within the South Warner Project area, located 20 miles east of Lakeview, Ore. and five miles southwest of Adel, Ore. For additional information, please contact the Lakeview Resource Area at 541-947-2177.

Klamath Falls Resource Area
Nearly 250 acres of prescribed burning is planned for the Klamath Falls Resource Area. Approximately 200 acres of underburning will take place near the Klamath River Canyon located approximately 16 miles southwest of Klamath Falls, Ore. Another 50 acres of machine/hand piles will be burned near Bly Mountain located about half way between Bly, Ore., and Klamath Falls. For more information, contact the Klamath Resource Area at 541-883-6916.

U.S. FISH AND WILDLIFE

Sheldon/Hart National Wildlife Refuge Complex
Approximately 710 acres of cut juniper will be burned in the Poker Jim area of Hart Mountain National Antelope Refuge. Most of the planned burning on Hart Mountain is approximately 8-10 miles east of Plush, Ore. For more information, please contact the U.S. Fish and Wildlife office at 541-947-3315.

Harpold And Stukel Mineral Pits Environmental Assessment

Lakeview, Ore. - The Bureau of Land Management's (BLM) Klamath Falls Resource Area (KFRA) of the Lakeview District is seeking public input as part of the environmental analysis process for renewal of Klamath County Public Works Department’s (KCPWD) permits.

These permits are for the Harpold and Stukel Mineral Pits that contain common varieties of gravel and rock used for road maintenance. The KCPWD submitted an application to renew the permits they have held for these sites since the 1980s. The Harpold Quarry is located approximately three miles southwest of Bonanza and is 160 acres in size. The Stukel Quarry is located approximately seven miles southeast of Klamath Falls and is 80 acres in size.

The need for action is driven by BLM’s policy to manage public lands in a manner that recognizes the Nation’s need for domestic sources of mineral; to make mineral materials available; and to permit local government entities free use of these materials for qualified purposes.

The BLM is asking for the public's help in identifying issues and concerns that exist regarding the proposed Harpold and Stukel Mineral Pit Permit Renewal project.

The public is encouraged to submit comments by April 17, 2014 to be most effective in the BLM's planning process. To submit comments or questions about the proposed treatments the public can email the KFRA at the following address: BLM_OR_KF_Mail@blm.gov, and identify your comments as being for the “Harpold & Stukel Mineral Pit EA.” Written comments can be sent to: Bureau of Land Management, Attn: Field Manager, 2795 Anderson Avenue, Bldg. #25, Klamath Falls, OR 97603.

Once an Environmental Assessment has been prepared, the public will have an opportunity to review and provide comments on the proposed action and analysis. Additional information about planning in the BLM's Lakeview District is available online at: www.blm.gov/or/districts/lakeview/plans/index

FILM SERIES AT FRIENDS CHURCH

The Friends Church and the Klamath Peace Readers will co-sponsor a series of eight films, beginning on Friday, April 25th. The films will be shown at 6:30 PM on the fourth Friday of each month at the Friends Church.

The series has been chosen to explore the issues and the consequences of war. All are excellent films and will appeal to most movie buffs, but particularly to those who are asking the hard questions around issues of war and violence, and searching for peaceful alternatives to conflict. A discussion period will follow showing of the films.

See the events list for the schedule.

The sponsors hope that the films will engender thoughtful conversation among viewers. Refreshments will be provided by the Peace Readers following the films.

The Friends Church is at 1918 Oregon Avenue. The films will be shown downstairs; enter by the main door and take the stairs down. For additional information call Nancie at 891-2722 or Sally at 205-6313.

FCE (Family and Community Education)

Meetings are the 2nd Wednesday of each month at 9:30. Meetings are open to all. We have a pot luck each month along with the lessons presented by a member. For the location and directions to the next meeting, please call Sandie Bolyard at 541-892-2336.

Locally, FCE raises money for college scholarships for our Chiloquin High School Seniors. Money is raised through fund-raising projects such as a Thanksgiving turkey dinner fixings raffle with tickets being sold at Kirchers Hardware; Christmas Boutique at the Chiloquin Community Center; Kaleidoscope of Learning at Mazama High School in Klamath Falls. We are very active in our community and you will find FCE volunteers at many local events.

Oregon FCE is a non-profit organization of volunteers who have worked on such issues as improving sanitary requirements in hospitals, women’s labor laws, requirements for high school teachers, and funding for the state library. Nationally, we began the school hot lunch program and pushed for bookmobile libraries.

FCE asked for and got money from the legislature to fund an OSU research study on the dental caries problem in Oregon. We’ve studied our county governments and monitored their activities; worked on county and state fair boards to improve their quality; sponsored programs on rural road safety, farm safety, home safety, bike safety, Defensive Driving courses, campaigns to get the drunk drivers off the road, and child seatbelt laws. Current educational programs focus on the environment, children and television, literacy, and global issues. Current concerns include addressing the growing need for food banks, for shelters for the homeless, and for reducing the violence against women and children. Oregon FCE members donate thousands of volunteer hours and dollars to these causes.

Volunteer Opportunities in Chiloquin

Volunteer Fire Fighters - "What if you had an emergency and no one came?" Become a Volunteer Firefighter! 783-3860.

Volunteer Ambulance Service - 783-3131

Two Rivers Gallery: The gallery, which is a community project and has no paid employees, is seeking people to “gallery sit”. This involves talking to people who stop by to browse and shop. You do not need to be an artist, but if you are, gallery hours reduce the amount of your commission. Any time at all that you can donate to us will be very much appreciated. Contact the Gallery @ 783-3326.

Sage Community School - Sage Community School is looking for community volunteers interested in assisting Sage Community School. If you are interested in offering your services as a volunteer in any way, please contact Wendy Letner at 783-7743.

Klamath Humane Society - volunteers needed at the Humane Society. We are getting started on our disaster program and need volunteers in the Chiloquin area. We also are looking for people who can write grants. Foster homes for dogs and cats are always needed. For more information, contact the shelter at 882-1119 or e-mail staff@klamathhumanesociety.com.
**Start Making A Reader Today (SMART)** - a statewide program working with children K-3 during school hours. Each volunteer works one-on-one with a child for ½ hour, helping them read (or reading to the youngest). We always need volunteers, whether scheduled every week or merely as a substitute reader when the regular reader is unable to attend. Call the number below for an application or fill out an on-line application at [www.getsmartoregon.org](http://www.getsmartoregon.org). It will be the most rewarding hour you ever volunteer! **Contact the SMART office at 273-2424 or the Chiloquin Elementary School at 783-2338 or call Junie Stacey at 541-281-9787**

**Neighborhood Watch** - Agency Lake President - Sharon Huber at 541-880-6461 or Secretary Maureen Soar at 783-2208.

**Chiloquin Branch Library** - The library has many ways to get involved and many fun ways to contribute to your local community. Some opportunities:
1. Story time: If you would like to read two or three stories to a small group or preschoolers, and lead them in a simple craft or activity, the library staff can use your help.
2. Summer Reading Program: There are many opportunities during the summer to help out with this very worthwhile program.
3. Honor collections: these are racks of paperback books, magazines and audiovisual materials that patrons may check out without a library card. By offering these collections, more people in the community can be reached and a greater diversity of materials can be made available without incurring the costs of cataloging and processing items for the general collections. The staff would like to have some help in keeping these racks orderly, attractive and relevant. Check with the librarian for information on how to “adopt a rack”.
4. Help with sorting donations.
5. Go through Books for Sale section and tidy it once a month or so.

Stop in at the library and see what they need or give them a call at 541-783-3315.

**Chiloquin Visions in Progress (CVIP)**
CVIP operates the Chiloquin Community Center, the Chiloquin Learns After School program, the Writer in Residence Program, and is the contact point for the Chiloquin Area Community Resource Committees and their projects. We have a volunteer list in the office where you can sign up to be available for many different “jobs” and projects. **Call 783-7780 between 10 AM and 2 PM weekdays for further information.** If you would like to get further involved, attend a Board meeting, held on the 2nd Wednesday of the month at 6PM in the Community Center conference room.
